<b>1</b>	<b>Introduction and summary of key findings</b> .....	<b>1</b>
	Introduction .....	1
	Summary of key findings .....	5
<b>2</b>	<b>The income distribution</b> .....	<b>9</b>
Tables	2.1 Recent economic indicators .....	14
	2.2 Income sources as a proportion of gross income by quintile .....	15
	2.3 Money values of means, medians and quintiles by different family types .....	16
<b>3</b>	<b>Whole population</b> .....	<b>17</b>
Tables	3.1 Quintile distribution of income by: .....	24
	Economic status	
	Family type	
	Gender and adulthood	
	Ethnic group	
	3.2 Quintile distribution of income by: .....	26
	Disability	
	Tenure	
	Bank account ownership	
	Savings and assets	
	Geographical disaggregation	
	3.3 Composition of low-income groups by: .....	28
	Economic status	
	Family type	
	Gender and adulthood	
	Ethnic group	
	3.4 Composition of low-income groups by: .....	30
	Disability	
	Tenure	
	Bank account ownership	
	Savings and assets	
	Geographical disaggregation	
	3.5 Risk of being in low-income groups by: .....	32
	Economic status	
	Family type	
	Gender and adulthood	
	Ethnic group	
	3.6 Risk of being in low-income groups by: .....	34
	Disability	
	Tenure	
	Bank account ownership	
	Savings and assets	
	Geographical disaggregation	
	Opportunity for all Indicators .....	36
<b>4</b>	<b>Children</b> .....	<b>39</b>
Tables	4.1 Quintile distribution of income by: .....	46
	Economic status and family type	
	Economic status of household	
	Number of children in family	
	Disability	
	Ethnic group	

Tables	4.2	Quintile distribution of income by:.....	48
		Benefit/tax credit receipt	
		Age of mother	
		Age of youngest child in family	
		Geographical disaggregation	
	4.3	Quintile distribution of income by:.....	50
		Tenure	
		Savings and assets	
	4.4	Composition of low-income groups by:.....	52
		Economic status and family type	
		Economic status of household	
		Number of children in family	
		Disability	
		Ethnic group	
	4.5	Composition of low-income groups by:.....	54
		Benefit/tax credit receipt	
		Age of mother	
		Age of youngest child in family	
		Geographical disaggregation	
	4.6	Composition of low-income groups by:.....	56
		Tenure	
		Savings and assets	
	4.7	Risk of being in low-income groups by:.....	58
		Economic status and family type	
		Economic status of household	
		Number of children in family	
		Disability	
		Ethnic group	
	4.8	Risk of being in low-income groups by:.....	60
		Benefit/tax credit receipt	
		Age of mother	
		Age of youngest child in family	
		Geographical disaggregation	
	4.9	Risk of being in low-income groups by:.....	62
		Tenure	
		Savings and assets	
		Opportunity for all Indicators .....	64
<b>5</b>		<b>Working-age adults .....</b>	<b>67</b>
Tables	5.1	Quintile distribution of income by:.....	74
		Economic status of adults in the family	
		Economic status of household	
		Family type	
		Gender	
		Benefit/tax credit receipt	
	5.2	Quintile distribution of income by:.....	76
		Age of head of family	
		Ethnic group	
		Geographical disaggregation	
	5.3	Quintile distribution of income by:.....	78
		Disability	
		Non-state pension contributions	
		Savings and assets	
		Tenure	
		Educational attainment	
	5.4	Composition of low-income groups by:.....	80
		Economic status of adults in the family	
		Economic status of household	
		Family type	
		Gender	
		Benefit/tax credit receipt	

Tables	5.5	Composition of low-income groups by: .....	82
		Age of head of family	
		Ethnic group	
		Geographical disaggregation	
	5.6	Composition of low-income groups by: .....	84
		Disability	
		Non-state pension contributions	
		Savings and assets	
		Tenure	
		Educational attainment	
	5.7	Risk of being in low-income groups by: .....	86
		Economic status of adults in the family	
		Economic status of household	
		Family type	
		Gender	
		Benefit/tax credit receipt	
	5.8	Risk of being in low-income groups by: .....	88
		Age of head of family	
		Ethnic group	
		Geographical disaggregation	
	5.9	Risk of being in low-income groups by: .....	90
		Disability	
		Non-state pension contributions	
		Savings and assets	
		Tenure	
		Educational attainment	
		Opportunity for all Indicators .....	92
<b>6</b>		<b>Pensioners .....</b>	<b>95</b>

		Disability	
		Tenure	
		Ethnic group	
	6.4	Composition of low-income groups by: .....	108
		Pensions provision	
		Benefit receipt	
		Savings and assets	
		Geographical disaggregation	
	6.5	Risk of being in low-income groups by: .....	110
		Economic status	
		Family type and age of head	
		Gender	
		Disability	
		Tenure	
		Ethnic group	

Tables	6.6	Risk of being in low-income groups by: .....	112
		Pensions provision	
		Benefit receipt	
		Savings and assets	
		Geographical disaggregation	
		Opportunity for all Indicators .....	114
<b>7</b>		<b>Low-income dynamics .....</b>	<b>117</b>
Tables	7.1	Equivalised income levels .....	122
	7.2	Comparison of FES/FRS based estimates and BHPS equivalents .....	123
	7.3	Number of movements between quintiles from 1991 to 2001 .....	124
	7.4	Where in the income distribution individuals spent majority of time relative to 1991 .....	124
	7.5	Position in the income distribution in 2001 relative to 1991, by where spent majority of time .....	125
	7.6	Number of years spent in the bottom of the income distribution .....	126
	7.7	Opportunity for all indicators .....	127
	7.8	Composition of persistent low-income groups by: .....	128
		Gender and adulthood	
		Family type	
		Educational qualifications	
		Tenure	
		Economic status	
	7.9	Risk of persistent low income by: .....	129
		Gender and adulthood	
		Family type	
		Educational qualifications	
		Tenure	
		Economic status	
		<b>HBAI Supplementary tables .....</b>	<b>133</b>
		<b>Appendices</b>	
	1	Glossary and definitions .....	227
	2	Methodology .....	235
	3	Comparison of Northern Ireland, Great Britain and United Kingdom low-income estimates .....	247
	4	Analysis of the deduction of childcare costs from HBAI income .....	261
	5	Decomposition of changes in number of individuals in different low-income groups over time .....	279
	6	Pan-European comparisons using HBAI data .....	293

## HBAI Supplementary Tables

	<b>Page</b>
<b>A. Income growth in real terms</b>	
1 Real-terms change in income levels by decile and quintile .....	133
2 Money values of decile medians, quintile medians and population mean in 2002/03 prices .....	134
3 Income shares .....	135
4 Real-terms change in income levels by quintile and family type/economic status .....	136
5 Money values of quintile medians and population mean in 2002/03 prices by family type/economic status .....	137
<b>B. Population demographic breakdowns</b>	
1 Total population by family type .....	139
2 Total population by economic status .....	140
3 Dependent children by family type and economic status .....	141
4 Dependent children by number of children in family .....	142
5 Dependent children by tenure .....	143
6 Working-age adults by family type .....	144
7 Working-age adults by economic status .....	145
8 Working-age adults by tenure .....	146
9 Pensioners by family type and age of head .....	147
10 Pensioners by tenure .....	148
<b>C. Money values for 50% mean and 60% median income by example family types in 2002/03 prices .....</b>	<b>149</b>
<b>D. All individuals</b>	
1 Quintile by family type .....	150
2 Quintile by economic status .....	152
3 Quintile composition by family type .....	154
4 Quintile composition by economic status .....	156
5 Risk of contemporary/relative low income by family type .....	158
6 Risk of contemporary/relative low income by economic status .....	159
7 Composition of contemporary low-income groups by family type .....	160
8 Composition of contemporary low-income groups by economic status .....	161
9 Risk of 'absolute' (1996/7 thresholds held constant in real terms) low income by family type .....	162
10 Risk of 'absolute' (1996/7 thresholds held constant in real terms) low income by economic status .....	163
11 Composition of 'absolute' (1996/7 thresholds held constant in real terms) low-income groups by family type .....	164
12 Composition of 'absolute' (1996/7 thresholds held constant in real terms) low-income groups by economic status .....	165
<b>E. Children</b>	
1 Quintile by family type and economic status .....	166
2 Quintile by family size .....	168
3 Risk of contemporary/relative low income by family type and economic status .....	169
4 Risk of contemporary/relative low income by family size .....	171
5 Composition of contemporary low-income groups by family type and economic status .....	172
6 Composition of contemporary low-income groups by family size .....	174
7 Risk of 'absolute' (1996/7 thresholds held constant in real terms) low income by family type and economic status .....	175
8 Risk of 'absolute' (1996/7 thresholds held constant in real terms) low income by family size .....	177
9 Composition of 'absolute' (1996/7 thresholds held constant in real terms) low-income groups by family type and economic status .....	178
10 Composition of 'absolute' (1996/7 thresholds held constant in real terms) low-income groups by family size .....	180

<b>F.</b>	<b>Working-age adults</b>	
1	Quintile by family type .....	182
2	Quintile by family type and economic status .....	184
3	Risk of contemporary/relative low income by family type .....	188
4	Risk of contemporary/relative low income by family type and economic status .....	189
5	Composition of contemporary low-income groups by family type .....	191
6	Composition of contemporary low-income groups by family type and economic status .....	192
7	Risk of 'absolute' (1996/7 thresholds held constant in real terms) low income by family type .....	194
8	Risk of 'absolute' (1996/7 thresholds held constant in real terms) low income by family type and economic status .....	195
9	Composition of 'absolute' (1996/7 thresholds held constant in real terms) low-income groups by family type .....	197
10	Composition of 'absolute' (1996/7 thresholds held constant in real terms) low-income groups by family type and economic status .....	198
<b>G.</b>	<b>Pensioners</b>	
1	Quintile by family type and age of head .....	200
2	Quintile by tenure .....	204
3	Risk of contemporary/relative low income by family type and age of head .....	206
4	Risk of contemporary/relative low income by tenure .....	208
5	Composition of contemporary low-income groups by family type and age of head .....	209
6	Composition of contemporary low-income groups by tenure .....	211
7	Risk of 'absolute' (1996/7 thresholds held constant in real terms) low income by family type and age of head .....	212
8	Risk of 'absolute' (1996/7 thresholds held constant in real terms) low income by tenure .....	214
9	Composition of 'absolute' (1996/7 thresholds held constant in real terms) low-income groups by family type and age of head .....	215
10	Composition of 'absolute' (1996/7 thresholds held constant in real terms) low-income groups by tenure .....	217
<b>H.</b>	<b>Risk of relative and 'absolute' low income (Opportunity for all indicators) 1979-2002/03</b>	
1	All individuals - risk of contemporary/relative low income .....	218
2	Children - risk of contemporary/relative low income .....	219
3	Working-age adults - risk of contemporary/relative low income .....	220
4	Pensioners - risk of contemporary/relative low income .....	221
5	All individuals - risk of 'absolute' (1996/7 thresholds held constant in real terms) low income .....	222
6	Children - risk of 'absolute' (1996/7 thresholds held constant in real terms) low income .....	223
7	Working-age adults - risk of 'absolute' (1996/7 thresholds held constant in real terms) low income .....	224
8	Pensioners - risk of 'absolute' (1996/7 thresholds held constant in real terms) low income .....	225

**Notes:**

1. Abbreviations for **full-time** and **part-time** have been used in these supplementary tables. The abbreviations used are FT and PT, respectively. For full definitions of these terms, see Appendix 1.
2. All tables **include** the self-employed.
