Dear Provider,

DWP are nearing the end of the PQQ evaluation stage of the process for the current ESF Phase 2 and Jobcentre Plus Support Contracts and will soon be making recommendations on who should be taken forward to the second stage of these competitions.

DWP will now be contacting all organisations on week commencing 8th June 2009 to inform them of the outcome. It remains our intention for contracts to commence in December 2009 for Jobcentre Plus Support contracts and ESF Phase 2.
