WEEKLY RATE OF WMA, WP, WPA AND BA

- 2 Paragraphs 22 and 25 of Memo DMG 31/09 give guidance that the weekly rate of
1. **WMA and**
 2. **WP and**
 3. **WPA and**
 4. **BA**

is no longer linked automatically to the weekly rate of RP and instead the weekly rate will be prescribed. However, there is no legislation in force to prescribe the weekly rate of those benefits. Therefore the weekly rate of those benefits will continue to be linked automatically to the weekly rate of RP.

- 3 DMs should note that the guidance at paragraphs 22 and 25 of Memo DMG 31/09 is **cancelled** with immediate effect.
