As referred to in the Notice to Providers dated 20th March, DWP is looking to facilitate networking opportunities between potential Prime and Sub-Contractors, including Third Sector and smaller organisations, by creating a Specialist Disability Employment Programme (SDEP) Networking Database. If you were unable to attend the events, and wish to be part of this networking opportunity, a contact sheet is attached below that should be completed and returned to the following email address

SPECIALISTDISABILITYPROVISION.BIRMINGHAMPST@DWP.GSI.GOV.UK by Tuesday 5th May.

The database can be accessed via the link below. It is important to note that the database may develop as additional organisations become members of the network so it advisable to check the database frequently for any changes.
