18 March 2009

Dear Provider

Following the PQQ events conducted in London on Friday 6th March, and Birmingham on Monday 9th March, we are now able to share details as outlined at the events.

A full delegate list for each event, questions and answers from the events, and a copy of the event slides can be accessed by clicking on the appropriate links below:

As referred to in the Notice to Providers dated 23rd February, DWP is looking to facilitate networking opportunities between potential Prime and Sub-Contractors, including Third Sector and smaller organisations, by creating an ESF Phase 2 Networking Database. If you were unable to attend the events, and wish to be part of this networking opportunity, a contact sheet is attached below that should be completed and returned to the following email address ESFBirmingham.PST@dwp.gsi.gov.uk by 30th March.

The database can be accessed via the link below. It is important to note that the database may develop as additional organisations become members of the network so it is advisable to check the database frequently for any changes.
