

## **Important changes to the Q&A Log**

The Q&A Log has now been fully updated and is ready to view at <http://www.dwp.gov.uk/supplying-dwp/what-we-buy/welfare-to-work-services/flexible-new-deal/>

For ease of reference, the questions have now been re - organised by the section they appear in the FND Supplier Guidance and your individual reference numbers removed. There are also other categories including PRaP, commercial or contractual and miscellaneous.

Please note that all issues relating to the specific technicalities of the Provider Referrals and Payments (PRaP) system will now be answered on an individual basis.

All questions should still be directed to the FND Implementation inbox
