Chapter two: Women

- 1 The updated report can be found at www.womenandequalityunit.gov.uk
- 2 Under Section 75 of the Northern Ireland Act 1998, public authorities have a statutory duty to have 'due regard' to the promotion of equality of opportunity between a number of social categories. For example, between persons of different religious belief, political opinion, racial group, age, marital status or sexual orientation; between men and women generally; between people with a disability and people without;

Section five: Working in partnership

- 70 While devolution is for the time being suspended in Northern Ireland, the strategic relationship between the UK Government and the Northern Ireland Executive remains broadly unchanged.

- and between people with and without dependants.
