## Delivering a Professional Service

### Contributing to Business Success

Contributing to the success of the organisation by:

- Identifying and exploiting opportunities to apply RiM in ways that will support organisational risk management and improve performance and support achievement of business objectives;
- Analysing business RiM needs, developing and implementing business specific services and RiM products;
- Advising stakeholders on the RiM implications of business change;
- Seeking and acting on feedback from managers and stakeholders, and the Corporate RMF, to continually improve RiM performance.

### Demonstrating RiM Professional Expertise

Applying RiM expertise by:

- Communicating with and supporting business managers and stakeholders discharge their corporate and individual RiM accountabilities;
- Implementing and promoting internal and external RiM Good Practice;
- Developing and maintaining effective working relationships with Corporate BRF staff and networking with BRF colleagues on technical and professional practices;
- Continuously developing professional knowledge and that of team members;
- Advising businesses on, and reporting their compliance with DWP standards for RiM governance;
- Providing effective facilitation / coaching to staff and business managers;
- Initiating knowledge sharing with colleagues and stakeholders on Good Practice, including toolkits, to facilitate decision making and develop a RiM awareness;
- Supporting senior management in the execution and discharge of their Risk Management Accountabilities.

### Implementing RiM based Control and Assurance

Implementing and managing RiM control and assurance by:

- Providing expert advice and guidance on RiM to support business decisions and underpinning business arrangements;
- Developing and embedding business RiM processes in line with DWP RiM principles, practices and procedures and advising and challenging business managers about RiM, control, assurance and compliance in the business;
- Providing assurance on the intelligent application of, and compliance with, the DWP Risk Management Framework (RMF);
- Providing oversight of the quality of risk monitoring and mitigation actions taken by managers, challenging and making interventions as appropriate.

## Delivering a Customer Focused Service

### Responding to Customer Needs

Develops the organisation's understanding of, and responsiveness to, its customers by:

- Implementing customer feedback systems and acting on findings;
- Ensuring diversity policies and practices are followed when dealing with customers;
- Promoting new and flexible ways of delivering services that are responsive to customer needs.

### Providing Excellent Customer Service

Manages the provision of excellent customer service by:

- Monitoring customer service performance and taking action to resolve poor quality service;
- Sharing knowledge of other DWP business areas with colleagues to improve customer service;
- Ensuring the team achieves the required standard of customer service;
- Sharing good practice and identifying opportunities for customer service improvements.

## Analysing, Improving and Changing

### Analysing and Using Evidence

Uses information to understand performance, inform decisions and prioritise changes and improvements by:

- Anticipating and responding quickly to problems;
- Obtaining accurate and relevant data to inform decisions;
- Analysing information to identify facts, patterns and trends;
- Supporting decisions with evidence-based arguments;
- Engaging expert support to assist with analysis when appropriate.

### Improving Performance Continuously

Identifies and implements tools and processes that support performance improvement by:

- Agreeing and reviewing measurable objectives for all team members;
- Examining existing ways of working to find where improvements can be made;
- Exploring diverse views and ideas from team members;
- Recognising and rewarding performance improvements.

### Engaging with Change

Takes a positive approach to implementing changes and secures commitment to change by:

- Explaining and presenting change in a positive way to others;
- Consulting with those affected by changes and responding constructively to suggestions and concerns;
- Recognising and rewarding positive contributions that others make to facilitate change.

## Managing People and Performance

### Delivering Results

Manages own and others' performance to ensure outputs are delivered on schedule and to the required quality by:

- Setting clear objectives that are in line with business needs;
- Putting in place clear delivery plans and monitoring progress and outputs;
- Identifying, assessing and managing risks in order to minimise their impact on performance;
- Ensuring compliance, and addressing non-compliance, with DWP policies and practices.

### Deploying People and Resources Effectively

Is flexible and creative in deploying resources to best effect by:

- Making best use of people's skills and availability to deliver business objectives;
- Considering diversity-related needs when planning and allocating work;
- Taking action to increase efficiency;
- Demonstrating flexibility and creativity in delivering with less resources;
- Considering sustainability issues and encouraging others to assess the environmental impact of their work;
- Ensuring access to available technology and making sure that information security systems are in place.

### Managing Finance

Works within budget limits to deliver best value for money by:

- Considering budget limits when allocating resources;
- Analysing the value for money of alternative options before committing to spending;
- Advising on cost implications of plans and activities;
- Monitoring income and expenditure and demonstrating where savings can be made.

## Building Capability

### Developing Knowledge and Skills

Takes responsibility for developing in order to increase the capacity and flexibility of individual, team and wider organisation by:

- Identifying development opportunities for self and others and linking individual learning to business goals;
- Helping others to learn from their daily work;
- Supporting and encouraging others in their development;
- Encouraging the sharing of knowledge and making sure learning is embedded;
- Giving honest, constructive feedback.

### Working Collaboratively

Develops mutually supportive relationships and encourages team and partnership working that values diversity by:

- Identifying, involving and influencing stakeholders to achieve positive outcomes;
- Resolving conflicts and tackling inappropriate behaviour;
- Fostering an inclusive working environment in which people of diverse backgrounds can contribute confidently.

### Communicating with Impact

Uses communication skills to promote understanding and facilitate working relationships by:

- Checking that information being communicated is current, accurate and complete;
- Communicating clearly and concisely using the most appropriate medium for the audience;
- Confirming that communications have met their purpose;
- Communicating information only to those who have a right to it and using the approved method.

## Leading

### Demonstrating Integrity

Displays integrity by:

- Treating others consistently and with respect.

### Providing Direction

Provides direction by:

- Clarifying and positively communicating direction to colleagues and stakeholders.
